In the " Quartet Groups of Fine Peonies " which we are featuring in this week's Bulletin, we are offering two and four divisions of each variety in order to permit the grower to make an exhibition planting, and still have some stock to plant for future sales. To make the low prices quoted on these groups, it will be necessary for us to bunch the orders, digging and shipping them at one time. However, we will make shipment on all orders accepted on these " Quartet Groups " by October 9th. The special quotations expire October 5th, and our usual terms apply, cash with order, transportation charges to be assumed by purchaser.

You can't tell how a suit .
will look until you try it on !

And you can't tell how convenient our Wholesale Service is to the grower, until you have sent in that "trial order" and received your shipment.

Do not hang up that
"Sold Out" sign until
you have looked over
our list of available
varieties. We want an
opportunity to serve you.
